

Stadiums for football this summer

Maths worksheets from mathsblog.co.uk

There are six stadiums which will host matches this summer.

City	Stadium Name	Approximate Capacity
Coventry	City of Coventry Stadium	32 500
Glasgow	Hampden Park	52 000
Newcastle	St James' Park	52 000
Cardiff	Millennium Stadium	74 500
Manchester	Old Trafford	76 000
London	Wembley Stadium	90 000

Answer the questions below using the approximate ground capacities shown in the table.

All working out must be shown in full.

1. What is the total capacity of Hampden Park and St James' Park altogether?

$$\begin{array}{r}
 \square \square \square \square \square \\
 + \square \square \square \square \square \\
 \hline
 \hline
 \end{array}$$

2. What is the total capacity of the Millennium Stadium and Old Trafford altogether?

$$\begin{array}{r}
 \square \square \square \square \square \\
 + \square \square \square \square \square \\
 \hline
 \hline
 \end{array}$$

3. How many more spectators can Wembley hold than Newcastle?

$$\begin{array}{r}
 \square \square \square \square \square \\
 - \square \square \square \square \square \\
 \hline
 \hline
 \end{array}$$

4. How many less spectators can Coventry hold than Cardiff?

$$\begin{array}{r}
 \square \square \square \square \square \\
 - \square \square \square \square \square \\
 \hline
 \hline
 \end{array}$$
